Map Legend

- Adopt-a-Road
- Roads (by type)
 - Gravel
 - Paved
 - Paved Private
- Water
- Political Township
- Section Lines
- Corporate Limits

BOONE COUNTY ADOPT-A-COUNTY ROAD PROGRAM

Is your organization looking for a project to help the environment? Then we have a project for you!!

Boone County Conservation, Keep Boone County Beautiful and the Boone County Engineer's office have developed the "Boone County Adopt-A-County Road" program through which organizations can adopt stretches of Boone County secondary roads for litter control.

PROGRAM OBJECTIVE

The objective of the program is to create public awareness of environmental needs along Boone County's secondary roads by making adopted sections of roadsides an example of opportunities to improve the aesthetics of our county.

GENERAL STATEMENT

There is a need to enhance the quality of our roadsides. Litter pickup conducted by secondary roads crews is labor intensive, expensive and necessarily takes second priority to pavement and shoulder maintenance and safety activities.

The Adopt-A-Road Program allows individuals or groups to adopt a certain roadside. Through adoption, an organization has the potential to:

- Reduce litter along highways
- Enhance the environment and beautify roadsides
- Build broad-based community support for anti-litter and highway beautification programs

WHO DO I CONTACT?

For more information, or to obtain an application, please contact Lois Powers, or Lisa Anderson with Keep Boone County Beautiful at (515) 433-0591.
